If you sponsor, manage, or participate in on-the-water learn-to-sail or racing programs you know that safety must be at the foundation of your program. Join participants from around Biscayne Bay in an educational seminar to address the fundamental components of a comprehensive safety program.

Monday November 17, 2008
Coconut Grove Sailing Club
9:00 AM - 4:00 PM

Seminar leader **Joni Palmer** is currently responsible for basic sail training for the 1200 incoming freshmen at the U.S. Naval Academy in Annapolis. In addition she has conducted over 80 regional sailing program management seminars around the country and has developed and managed 15 US Sailing National Sail Training Symposiums. Joni was instrumental in developing the U.S. Sailing small boat instructor training program and has been an active member of every US Sailing committee that deals with training, youth and community sailing.
