7. ELIGIBILITY

All 2006-07 member schools of the South Atlantic Interscholastic Sailing Association (SAISA) are eligible. The regatta is a North Points Inland Area Regatta. All schools must be members in good standing with SAISA. A school may pay SAISA dues at check-in.

Registrations will be accepted first from Inland Area teams whose registration is received by Monday, Oct. 30, 2006, in the order they are received. Other registrations will then be accepted in order received. All registrations should be received by Mark Aspland no later than Monday, Nov. 6, 2006.

Once 12 schools have registered, each school will be notified that their entry shall be contingent upon their ability to bring their own 420 sailboat in **good racing condition** to add to the rotation.

Competitors must attend the school they represent full time and must be in the 8th, 9th, 10th, 11th, or 12th grade, as of the date of the Regatta. If your school does not have enough sailors to form the necessary team, we will attempt to "mix and match" sailors from different member schools.

An adult school representative/advisor is required to accompany each team and be responsible for their conduct on and off the water. The team representative, who may be an advisor, coach, or parent, is expected to have full authority to obtain medical treatment for his team members.

A JV team from an eligible school may be entered only when pre-approved by SAISA. For JV team approval, contact Tom Monkus at (727) 821-9080. Each JV team may be responsible for providing their own 420, as preference will be given to schools with only one team.

8. SAILING INSTRUCTIONS

Sailing Instructions will be available at the competitors meeting at Lake Norman Yacht Club.

9. BOATS

Club 420's will be used, and 12 will be provided by Lake Norman Yacht Club.

10. RACING AREA

11. DAMAGE

Damage that requires more than normal maintenance is considered a serious incident. If the Protest Committee determines that reasonable care was not used and resulted in damage, one or both boats may be disqualified, regardless of any alternative penalties already taken. In extreme cases, either or both boats may be excluded from the rest of the regatta and held financially responsible for the damages.

12. LUNCHES
