

**North Points Inland 5 High School Regatta  
 Lake Norman Yacht Club  
 Dec. 9, 2006**

Eight high school teams sailed in the North Points Inland 5 Regatta on Dec. 9, 2006, hosted by Lake Norman Yacht Club in Mooresville, NC.

The event opened a new Charlotte-area rivalry, with two freshman skippers from Lake Norman High School winning first place overall by two points over North Mecklenburg High. North Mecklenburg has been a dominant N.C. high school sailing team for two years, and had finished ahead of Lake Norman in six of seven previous meetings since fall 2005.

The Lake Norman A Division team was skippered by Brad Milliken, with crew Kenny Paradiso and Elizabeth Champers. Lake Norman finished first in B division with skipper Elizabeth Chambers and crew Cameron Herritt.

North Mecklenburg won A Division with skipper Joe Aspland and Nick Capets. They placed second in B Division, with skipper John Mellnik and crew Brett Herda.

Twelve races were completed under sunny skies, with winds of 4-10 mph, air temperatures of 34 to 54 degrees, and water temperature of 51.

Craig Milliken was principal race officer; Mark Aspland was the regatta chair. Peggy Aspland coordinated a competitors lunch of hot soups, which were also delivered to race staff on the water.

Here are final results:

**Race Results**
