FINAL RESULTS

REGATTA HIGHLIGHTS: Lower Coastal Three was sailed at the Sunbury Crab Company on November 8th. Ten teams participated as follows: from South Carolina (Academic Magnet, Porter Guad, First Baptist, James Island, Hilton Head –one division), and from Georgia (Brunswick High, Glenn Academy, St. Vincents, Jenkins –one division, Richmond Hill, and Richmond Hill JV). Hilton Head only had one skipper and Jenkins only had one division so we combined their team and borrowed a crew from Brunswick to complete the team. Sailing for the second year in a row was not able to be accomplished in front of the restaurant due to a westerly breeze. Sailors were transported to the race course by power boats and rotated on the water. Racing started out in shifty light conditions but quickly filled in to 10 – 12 knots at 270 degrees and made for great sailing. Unfortunately watching the races from shore was not easy. Rotations went very smoothly thanks to all the competitors' cooperation. Sailors only had about 10 – 15 minutes on shore between rotations. Sixteen total races were completed. The top two positions in both divisions were heavily contested and ended up only one point apart. The final overall results were decided in a tie breaker that went all the way down to the # of thirds sailed by each team. Awesome competition!!! Complete Results follow:
