

**SAISA Inland North Points 1 Regatta
Concord Yacht Club, Knoxville
September 26, 2009**

Six two-division teams, three one-division teams, and one JV entry sailed Inland North Points 1 regatta in adverse weather conditions on Knoxville's Fort Loudon Lake. Windless drizzle forced a three-hour postponement from 10:00 until 13:00. Drenching rain with light 5 mph wind followed and each division sailed three races; a single clap of thunder sent the racers to shelter for a single thirty minute postponement. Fortunately the weather front did not include cells with lightening or high winds. Lake Norman took top team honors followed by Farragut and Chapel Hill. Skipper Brad Milliken took first in Division A with two bullets, and Evan Noon won all three races in Division B. PRO Jeff Gamey and his committee of Concord Yacht Club sailors managed the races with grace and skill.
