7. ELIGIBILITY

7.1 All 2006-07 Member Schools of the South Atlantic Interscholastic Sailing Association (SAISA) are welcome. The regatta is a South Points Regatta. Points will be awarded to qualify for participation in the Mallory District Championship & Qualifier for ISSA fleet racing nationals, within the South Atlantic District.

7.2 All schools must be members in good standing with SAISA. If a school wishes to participate, and has not yet paid the ISSA/SAISA dues, they will be provided the opportunity to pay dues at check-in. *If a North Point school wishes to participate they may be required to provide their own 420. The NP school will be scored in place similar to a JV team.*

7.3 Registration is on a first paid/first allowed basis. Once 12 schools have registered, each school after the 12th will be notified that their entry shall be contingent upon their ability to bring their own 420 sailboat to add to the rotation.

7.4 Competitors must attend the school they represent full time and must be in the 8th, 9th, 10th, 11th, or 12th grade, as of the date of the Regatta. If your school does not have sufficient sailors to form the necessary teams, we will attempt to "mix and match" sailors from different member schools.

7.5 An adult school representative/advisor is required to accompany each team and be responsible for their conduct on and off the water. The team representative, who may be an advisor, coach, or parent, is expected to have full authority to obtain medical treatment for his team members.

7.6 Eligible SAISA schools may enter both varsity and JV teams, however only the varsity team score will be used to determine South Points. A JV team from eligible schools may also be entered only when pre-approved by SAISA. For JV team approval, contact Tom Monkus at (727) 821.9080. Depending on boat availability, each JV team may be responsible for providing their own 420 (may or may not be rotated through the fleet), as preference will be given to high schools with only one team.
