

South Points #6 was held at Ransom Everglades School on January 17th, 2009. Breeze at 7-14 knots, out of the North, shifting to the NorthEast mid-morning. 6 races were held in each division, each race lasting between 12 and 20 minutes. 2WL courses were sailed. 4 protests filed with the RC, two were filed with the Protest Committee resulting in one DSQ (the other was dismissed).

Many thanks to those who made this regatta possible: PRO Brian Fink (for providing the Committee Boat and flags)*, the Ransom Everglades Sailing parents (for assisting in registration, coordination of visiting teams, and the wonderful free barbecue at the end of the day), Carlos Medina (for providing us with the wonderful waterfront which we all benefitted from this past weekend), Ransom Everglades School, Fred Moffat (for driving the pin/mark boat), the coaches and parents who served on the Protest Committee, every single RE Sailor (for welcoming others to our waterfront, and staying late to clean and organize our facility) and last but not least George Florez - Waterfront Assistant (for driving the Barbara L all day, and staying till early evening helping the coaches and sailors restore the Waterfront to its usual state).

Congratulations to Sarasota High School for winning SP #6. Further congratulations to Ransom Everglades for its A Division win, and Sarasota for its B Division win.

*RE would like to further thank Mr. Fink for his dedication to both fair sailboat racing and to Ransom Everglades Sailing. He has been our PRO for the past 4 years, and his help has been of paramount importance to our ability to run fair and efficient South Points.

See you all in Martin County!

Christine M. Jackson
